📍 **Home:** C/Mejorana 31, 2, 28053 Madrid (Spain)

ABOUT ME

My name is Javier and I am from Argentina. The web is very extensive, and its development is complex. My goal is to unify web development with design, adapting to the needs in which I find myself: from prototyping and layout, through design, Ux/UI, Frontend Development or No-Code tools.

EDUCATION AND TRAINING

Higher Technician in Development of Web Applications

IES Vista Alegre [09/09/2021 – Current]

Address: Calle del General Ricardos, 177, 28025 Madrid (Spain)

HONOURS AND AWARDS

First Place in First Lego League MADRID

[2017]

Teams of students ages 9-16 engage in research, problem-solving, coding and engineering – building and programming a LEGO robot that navigates the missions of a robot game. As part of Challenge, teams also participate in a research project to identify and solve a relevant real-world problem. With the second place in the robot design and with our research project we won the First Place in First Lego League MADRID and we obtained a place for the National Championship.

2º Place in First Lego League MADRID - Robot design

[2017]

Second place in First Lego League MADRID in the programming, design and construction of a robot

2º Place in First Lego League SPAIN - Innovative solution

[2017]

At the national championships we won a place at the international championships in Bath, UK.

2º Place in the design of the entrepreneurship classroom logo

[2022]
